MEMORANDUM FOR All Commanders, Directors, Tenant Units and Agencies within the Fort Gordon Military Community

SUBJECT: Garrison Commander's Policy Memorandum No. 92 - Self Help Projects for Renovation, Maintenance or Repair. (Lead-Based Paint (LBP) & Asbestos Containing Materials (ACM))

1. References:

- a. 40 CFR Part 745; Lead; Renovation, Repair, and Painting (RRP) Program.
- b. AR 420-1, Army Facilities Management.
- c. AR 200-1, Environmental Protection and Enhancement.

2. Purpose: Fort Gordon adopts this policy to ensure the health and safety of the military and Civilian personnel.

3. Procedure: All projects disturbing paint on Fort Gordon will comply with three regulatory components of the Environmental Protection Agency (EPA) RRP program: inspection/testing of all sites to be disturbed by the Fort Gordon Certified Building Renovator, ensure training for an onsite Certified Renovator Representative, and document inspections, testing, and training.

a. Self-Help (better know as U-Do-It) projects for paint/painting will be initiated through the DPW Work Control System (WCS), via DA Form 4283.

b. All Self-Help painting request (DA Form 4283) will be routed through the Fort Gordon Certified Renovator for action.

c. Desired disturbance sites that contain lead based paint will not be permitted as a Self-Help project.

d. Non-lead based paint disturbance site requests will be forwarded in C-projects by the Certified Renovator to Master Planning for further action.
